

# Music. 2<sup>nd</sup> Ed. Music is cool. Here is some music. You should try it.

Music is meant to be listened to as full albums, so here are some albums. You don't get to pick and choose songs, that's not how it works. I tried to pick a wide selection. Try to stay open-minded, hey?

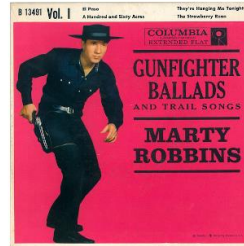

Lush - Split (1994)

- shoegaze
- atmospheric

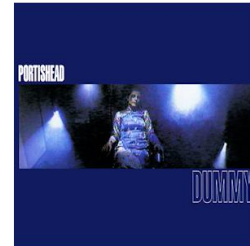

George Clanton - Slide (2018)

- alternative
- electropop

Marty Robbins - Gunfighter Ballads and Trail Songs (1959)
