Dr. Heather Prior

1. "Tell me a little bit about what you do at King's?"

"I hang out with wonderful people, students and colleagues. I learn new things and teach biology."

2. "What kinds of things are you involved in outside of your job?"

"My family and my church are the two biggest ones. Oh! And being outside."

3. "What are your top two favorite books?"

"The Bible first!! But otherwise, The Once and Future King by T.H. White, as well as The Little Prince by Antoine de Saint-Exupery; that book has my favorite quote in it."

4. "What are your top two favorite movies?"

"Number one: Man of La Mancha. It has one of the greatest songs of all time in it: To Dream the Impossible Dream. I'm not really much of a movie buff, so I don't know if I have a second one."

"That's okay, you don't have to have two."

"Oh yeah, Shawshank Redemption is a good one. It has a good redemptive theme, and I like that."

5. "What are your top two favorite music albums?"

"I always listen to this one here: Bach's Brandenburg Concertos. I also love Beethoven's 9th symphony, because I got to sing in it with the Winnipeg Symphony Orchestra while I was in my undergrad. As far as contemporary artists go, I like Steve Bell."

6. "Is there anything else you wanted to say to everyone reading?"

"While there is tea, there is hope."

"Also, follow your heart, but take your brain with you."

"Very cool, thanks for your time Dr. Prior."
