

Music.

Music is cool. Here is some music. You should try it.

Music is meant to be listened to as full albums, so here are some albums. You don't get to pick and choose songs, that's not how it works. I tried to pick a wide selection. Try to stay open-minded, hey?

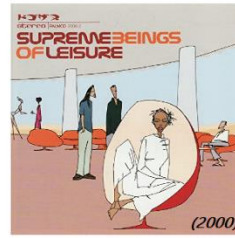

Cocteau Twins - (1990)
Heaven or Las Vegas

- shoegaze
- beautiful

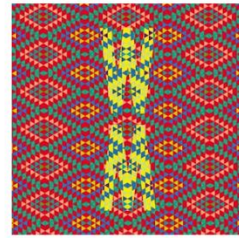

Burial - Untrue (2007)

- electronic
- ambient

Supreme Beings of Leisure - self-titled (2000)

- stylistically diverse
- chill
